

Hi Scott,

I hope you are doing well.

I wanted to share the latest **testing environment** details for Wecinema so you can review the buyer and seller flows, along with several recent updates. Please find the details below:

---

**Testing Environment URL:**

<https://wecinema-co.vercel.app/>

**Login Credentials (HypeMode):**

- Username: hamza4466@gmail.com
- Password: hamza4464

**Payment Testing Details (Stripe Test Card):**

- Card Number: 4242 4242 4242 4242
  - Expiry Date: 12 / 44
  - CVC: 444
- 

## Features to Test

**Buyer Side:**

- Login
- View listings
- Purchase listings
- Buyer dashboard functionality

**Seller Side:**

- Create listing
- View created listings
- Seller dashboard functionality

**Other Updates to Review:**

- Navigation bar (Navbar)
- Sidebar functionality
- Other updated components and UI elements

---

## Notes

- This is a **testing/staging environment**, and all credentials and payment details are for **testing purposes only**.
- There are **many additional features** available across the platform please feel free to explore them thoroughly.
- Wherever you notice any issues or improvements, kindly **note them and message me** accordingly.
- I am currently working on **styling and responsiveness updates**, and there are **a few features still under development** from my side.
- I will officially **start detailed testing from Friday**.
